NO OBJECTION CERTIFICATE

To,

Dear Sir/Madam,

Ours is a Government Engineering College. Power Electronics is one of the courses offered by the institute. The course was started in the institute in the year 2008 and is affiliated with Gujarat Technological University.

Power Electronics Engineering is one of the most growing areas of Electrical Engineering. The students have to develop a project related to Power Electronics area during the semester as a part of the curriculum. This project is to be done in industries / companies related to Power Electronics / Electrical field.

Following students wish to pursue their project at your esteemed industry:

| Sr. No. | Name of Student | Enrolment No. | | | | | | Sem. | | | | |
|---------|-----------------|---------------|--|---|---|---|--|------|---|---|--|--|
| 1 | | | | 0 | 1 | 7 | | 1 | 2 | 4 | | |
| 2 | | | | 0 | 1 | 7 | | 1 | 2 | 4 | | |
| 3 | | | | 0 | 1 | 7 | | 1 | 2 | 4 | | |
| 4 | | | | 0 | 1 | 7 | | 1 | 2 | 4 | | |

The Institute and the Department has **NO OBJECTION** on pursuing their project in your industry. They will visit your industry ___ days a week and on government holidays. The semester duration is from _____ to _____.

We assure that the students will follow the rules and regulations of your premises and abide by them. Thank You.

Yours Sincerely,

T&P Coordinator
