To,

Subject: Permission for Industrial Training of B.E. Power Electronics (Sem. _____) students at your esteemed industry.

Dear Sir/Madam,

Ours is a Government Engineering College. Power Electronics is one of the courses offered by the institute. The course was started in the institute in the year 2008 affiliated with Gujarat Technological University.

Power Electronics Engineering is one of the most growing areas of Electrical Engineering. As a part of curriculum and for better exposure of industry, the students are required to undergo an industrial training at Power Electronics / Electrical Engineering related industry. This helps in developing technical skills in the students.

Following students have opted for training at your esteemed industry:

Sr. No.	Name of Student	Enrolment No.										Sem.		
1				0	1	7			1	2	4			
2				0	1	7			1	2	4			
3				0	1	7			1	2	4			
4				0	1	7			1	2	4			

So I request you to permit these students to pursue their industrial training at your industry from ___/___/20__ to ___/___/20__.

I assure you that the students will follow the rules and regulations of your premises and abide by them. I also request you to issue them a **“Training Completion Certificate”** after the successful completion of their Industrial Training.

Thanking You,

Yours Sincerely

T&P Coordinator
